

2016 Summer Basketball Opportunities

Contact days have been reduced to just 20 days in the summer so what does that mean? It means myself or a member of my staff/school can only do stuff with the team for 20 days over the course of the summer. What it doesn't mean is you only have 20 days to do stuff. For us to be successful, you need to work on your game on your own, or in groups, at certain places. If you spend just 20 days on your game in the summer, you won't improve much. It doesn't mean you won't play, just means you likely won't improve. Come winter, we play the best. The summer is your chance to give yourself the opportunity become the best. That is ultimately up to you.

We have adjusted to the new summer mandates by putting in more shootouts where we can maximize the day in addition to workouts/camps for just ourselves. It should be much cheaper than a year ago but it does push a lot of games into one week at the end. Our summer will build to that. We are also offering up an app that should be free for a month and then \$5 a kid after that per month. I'll explain the workout app in more detail but it is from one of the leaders in player development in the country.

**Keep in mind with the success of our baseball team, we will likely have to reschedule that first week of stuff possibly to accommodate for baseball players and move to July. It could be a late change as well.*

Changes and Calendars can be found at
www.mbdragonhoops.weebly.com

The Following is the events available for the summer that you can attend. The way this works is you sign up for whatever you can sign up for. In some cases, we will take Junior High kids if we need numbers. If we have enough for 2, 3, 4 teams, whatever, we will take that many to an event if allowed (Some have limits, Rib City, Northeast & Mizzou do not):

Workouts/Team Camp – These are free and will consist of player development & team development. It is available to all kids in junior high through high school.

Team Scrimmage – Free. New this year. Might include JV players if possible. First one is May 27th. Plattsburg, North Andrew & Stewartsville are coming in a series of scrimmages.

Atha Farms Shootout – Free. One team only although we typically find a way to squeeze some games in for a second team at some point.

St. Pius X Shootout – One weeknight, 2 games. Looks to be by \$10 a player. Two teams.

Mizzou Team Camp - \$290 a camper. We will bring as many teams as we get signups for. IE: 24 kids sign up, 3 teams. We will be staying overnight on Mizzou campus.

Northeast Team Camp (Kirksville) – Cost will depend on number of kids. It's going to be around \$110 or so but it could be a bit more or less. Can bring up to 3 teams. We will be staying overnight at a Kirksville Hotel.

Rib City Shootout (Highland, KS) – Again, depends on the kids, likely \$25-\$30 a kid. Can bring up to 3 teams.

How to sign up:

Starting Tuesday, there will be an online form on our new website OR you can simply go by and tell Coach Kemper what you are wanting to do for the summer.

Let him know by May 2nd so he can sign notify the other schools, camps, etc of how many teams we are bringing.

*If you need help with money, contact Coach Kemper. You can sell sponsorships for the Golf Tournament to earn money for camps. Money for camps are not due until day of the camp. Mizzou can be paid online starting mid-May.
